EXPERIENCE

Climate Communicator | Beckisphere Climate Corner

Monterey, Calif. October 2020 - Present

- <https://www.youtube.com/c/Beckisphere>
- <https://theclimaterecap.buzzsprout.com/>
- About 1,600 subscribers, over 100 videos, over 100 podcast episodes
- Creating deep dive videos on climate policy, science, and solutions including the Inflation Reduction Act, West Virginia v EPA ruling, California's climate action record, the IEA "road to Net-Zero" report
- Creating a ~20 min "Climate Recap" episodes on international and US-based climate news for YouTube, podcast, TikTok, and IG reels
- Collaborating with an international community of climate youtubers
- Twitch streaming climate news and topics on Tuesdays and Fridays

Science Writer | Naval Postgraduate School (contracted through DeVine Consulting Co)

Monterey, Calif. Jan 2020 - Sept 2022

- Wrote feature stories on research conducted by faculty and students (topics include climate modeling, hurricane evacuation procedures, battery-powered warships)
- Worked to prioritize climate communication with the NPS Climate & Security Network

Science/Environmental Reporter, Podcast Co-Host | Oregon Daily Emerald

Eugene, Ore. August 2018 - June 2019

- Written 3 cover stories, one on UO's climate action plan
- Co-hosted "Spotlight on Science" episodes

Corporate Communications Intern | UO School of Journalism and Communication Communications Office

Eugene, Ore. May 2017 - June 2019

- Wrote over 20 pieces for main site, Around the O (main school news site), and Oregon Quarterly (UO alumni magazine)
- Wrote Oregon Quarterly cover story
- Assisted in social media posts, script writing, event planning and hosting, and photo and video production

Science and Environmental Intern | KQED Science Desk

San Francisco, Calif. June 2018 - September 2018

- Revived "This Moment on Earth" program, which told the stories of different local artists' connections to the climate crisis
- Interviewed subjects, cut and edited audio, and published associated web pages
- 4 segments aired on "The California Report" (700,000 weekly listeners)

Editor-in-Chief | Envision Magazine

Eugene, Ore. June 2017 - September 2018

- Recruited and led 15 staff members in weekly meetings
- Led the team to establish issue topics and assign roles and deadlines
- Monitored staff and managed budget through the production of two print editions (ending with a release party)
